In 2001, the Mark & Casey Bass Scholarship was established. This 100% tuition scholarship is intended to benefit an individual candidate for the program whose company does not have the resources to sponsor his/her participation. If you wish to be considered for the scholarship, please attach a letter to this application describing your circumstances and desire to participate in LAKES AREA LEADERSHIP ACADEMY 2012.

COMMITMENT A two-year commitment is asked of each person selected.

I understand my attendance to all sessions is required. One excused absence is permitted but additional absences may result in removal from the program and forfeiture of all fees paid. I understand the purpose of the LAKES AREA LEADERSHIP ACADEMY 2012 program is to prepare me for current and future community involvement. I understand after graduation, I will participate in the planning and facilitation of the following year's sessions and volunteer time and energy to a community service organization of my choosing for a minimum of one year. I am prepared to commit the time to attend the scheduled meetings for education and fellowship with individuals who share my concern for Stone and Taney Counties.
